Premier William Davis welcomes senior citizens to Black Creek Pioneer Village.

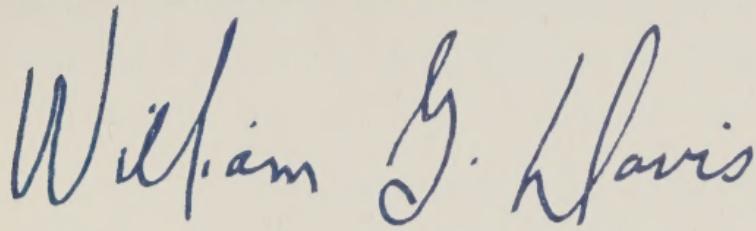

Preface

Ontario senior citizens have shown an interest in a range of educational, cultural and recreational activities, and it was felt that it might be helpful to compile a directory of these activities and the organizations through which many of them are provided.

Senior citizens have already given much to our province, a contribution which is deeply appreciated by all of us.

I hope, that as you glance through these pages, many of you will be encouraged to make your own distinct contribution to the life of this province and enjoy the interest and leisure opportunities Ontario has to offer.

You may be assured that any such participation will be more than welcome.

A handwritten signature in blue ink that reads "William G. Davis". The signature is fluid and cursive, with "William" on the left, "G." in the middle, and "Davis" on the right.

Introduction

Many cultural institutions, transportation companies, tourist attractions and places of business offer special privileges to senior citizens who are holders of the *Ontario Senior Citizens' Privilege Card*.

This list and the pamphlet *Resources For Senior Citizens** will give you specific information on a variety of services available free, or at reduced rates, to Ontario Senior Citizens.

While this list encompasses the entire province of Ontario, it is by no means complete. For specific information related to your area, or one you are planning to visit, contact your local Senior Citizens' Centre, Community Information Centre, local municipal office; or the Senior Citizens' Consultant at your District Office of the Ministry of Community and Social Services, listed at the back of this publication.

We invite you to send us any similar information related to privileges for senior citizens for a possible re-printing of this directory in the future.

*The publication *Resources for Senior Citizens*, is available to the general public from:
Communications Branch
Ministry of Community and Social Services
7th Floor, Hepburn Block
Queen's Park
Toronto, Ontario M7A 1E9
Telephone: (416) 965-7825

Please Note:

Who is Eligible for a Privilege Card?

All residents of Ontario, age 65 or over, are entitled to an Ontario Senior Citizens' Privilege Card. If you have received a privilege card with a number below your name on the front, then you are automatically entitled to Drug Benefit.

Drug Benefit in Ontario* applies to persons 65 and older who receive federal Old Age Security; or the Guaranteed Annual Income System (GAINS) cheque; or who have resided in Ontario for the past 12 months.

Persons who don't qualify for Drug Benefit are still eligible to receive an Ontario Senior Citizens' Privilege Card without a number. It won't entitle them to free drugs but will entitle them to other available privileges, such as those included in this directory.
